

#WorkingBetterTogether

To All Our Partners:

We are planning our 4th Annual South Valley Industrial Summit to be held on Friday November 13, 2020.

This year, like so many other events, we will be “virtual” rather than face-to-face. In years past we have had many supporters of our event and generous sponsors to help us put the event on.

The Annual South Valley Industrial Summit is currently the one and only source of funding to support us operationally. As the South Valley Industrial Collaborative continues to grow and become more relevant to industry in the South Central Valley, we will need some financial support from our industry partners to sustain our mission.

Would you consider sponsoring our virtual summit?

We have several options for your consideration:

\$2,000 Presenting Sponsor

Introduce Keynote Speaker, take five minutes to tell us about your business, get your logo on everything related to the event, flyer, agenda, presentation materials, etc.

\$1,000 Supporting Sponsor

Get your logo on all materials related to the event and before and after Keynote Presentations

\$500 Partner Sponsor

Get your logo on all materials and Thank You during closing credits.

Thank you all for your continued support of SVIC and our community.

The SVIC Board of Directors

Bruce Nicotero – Board Chairman

Carmen Herrera – Board Secretary

Rodney Wilson - Board Vice-Chair

Lisa Walsh - Board Member

Lowell Richardson – Board Secretary

Dax Brott – Board Member
